## Make the Preferred Choice.

No matter which type of floor coating you may be considering, choosing the right contractor is your most critical decision. At Preferred, our goal is to gain your complete satisfaction. By listening to your needs. By understanding your expectations. And by specifying and installing the right system. Call us today at 1-800-783-8338 for your free estimate.

### THE PREFERRED PROCESS

- **SURVEY** the facility to determine which situations might affect your project.
- **EVALUATE** the project carefully and offer a competitive, formal estimate.
- **FLOOR PREPARATION** is the most critical portion of your flooring investment. Preferred has made significant investment in floor preparation equipment.
- **CONDUCT "PRE-JOB MEETINGS"** to ensure our production personnel are fully aware of the specifications, expectations, safety and personal requirements of each customer.
- **EXPERIENCE** – from typical epoxy flooring systems to cutting-edge static control floor coatings, Preferred has the experience and the knowledge to exceed your flooring needs.
