

After more than 30 years of providing roofing services, Preferred knows what it takes to satisfy the customer. Our mission is simple—do it right the first time and stand behind the work. We have the experience and the capabilities to handle all your roofing needs, big or small. Call us today at 1-800-783-8338 for your free estimate.

THE PREFERRED PROCESS

- **SURVEY** the facility to determine all factors that may affect long-term performance, such as building construction, deck type, roof traffic, height, slope, chemical exposure, budget and moisture.
- **ANALYZE** your needs and develop the most effective solution.
- **EVALUATE** the project carefully and offer a competitive, formal estimate.
- **CONDUCT “PRE-JOB MEETINGS”** to ensure our production personnel are fully aware of the specifications, expectations, safety and personal requirements of each customer.
- **ANNUAL SERVICE CHECK-UP** inspections which help ensure the quality and integrity of your roofing system.
